

Musical Moments & "Way Cool" Keyboarding!

A New Way to Play and Enjoy the Piano!

2-Day National Training Seminar

with Debra Perez

Saturday, November 5th - 10:00am - 5:00pm

Sunday, November 6th - 10:00am - 3:00pm

Join teachers, music schools, and piano store owners from across the country as we discover the philosophy at the heart of the RMM movement and how it applies to teaching people to play the piano.

Teachers - participate in hands-on classroom experiences that include; how to teach a RMM group lesson, how to teach chord playing, how to create piano bands and other enjoyable musical experiences.

Music schools - Musical Moments, Way Cool Keyboarding and Way Cool Keyboarding 4 Kids are programs that both you and your students will enjoy. This *New Way to Play and Enjoy the Piano* was developed in a group environment. It offers success for your students from day one and motivation to become a lifelong lover of playing the piano.

Piano stores - witness and learn from a successful RMM school that manages 60+ classes per week. Discussions will include marketing suggestions, strategies for recruiting students, and ideas for maintaining a profitable program.
